

## PERSONAL PROFILE

I am a software engineer and entry level data scientist specializing in the collection and analysis of data. I have a GPA of 3.8 and currently enrolled in various DS related courses.

## SKILLS

- Machine Learning
- Data Preprocessing
- Python
- Web Scrapping
- Data Visualition
- Power BI (Learning)
- Data Analysis

## CONTACT INFORMATION

Phone: +92 321 3730963

# FAHAD SIDDIQUI

DATA SCIENTIST /  
ANALYST

## CAREER SUMMARY

### Web Developer (Intern)

CORE 2 PLUS | JUNE 2021 - AUGUST 2021

- Manages the client requirement on the rather small functionalities

### MERN Stack Developer (Remote)

HOUSE OF TECHIES | MARCH 2022 - JUNE 2022

- Managed the bugs fixing web development and API integration

## ACADEMIC HISTORY

### Sir Syed University of Engineering and Technology.

BS SOFTWARE ENGINEERING

### Saylani Mass IT Training

DIPLOMA IN WEB AND MOBILE APP DEVELOPMENT

## CERTIFICATIONS

1. Data Science and Analysis from Jawan Pakistan
2. IBM Data Science Data Science Certification (4/10 Modules Completed)
3. AI for Everyone by DeepLearning.AI
4. Cisco Python Certification
5. Microsoft Certification for Github
6. SMIT Certification for Web and Mobil App Development.
7. PIAIC AI Course Batch 36 (Currently In Progress)

## DS BASED PROJECTS

1. Diabetes Dataset Preprocessing, Analysis and Prediction
2. Rock and Sonar Classification
3. Heart Disease Data Set Preprocessing Visualization Plotting and Prediction
4. Property Prices Dataset Regression Prediction
5. Netflix data preprocessing
